Subject: Application for a Short-Stay Schengen Visa (Type C), single entry
Combined business invitation and personal tourism, 16 June – 6 July 2026

Respected Visa Officer,

I am writing to formally apply for a short-stay Schengen visa (Type C) for the purpose of (i) attending a five-day on-site business engagement at the offices of eduneon GmbH in Berlin, Germany, from 28 June to 3 July 2026, and (ii) undertaking personal tourism in Italy, Switzerland, Austria, the Czech Republic, and the Netherlands before and after the Berlin segment. My total stay in the Schengen Area will be 21 days.

1. Purpose of travel

eduneon GmbH, a Berlin-based [education-technology / software] company, has invited me to participate in a five-day on-site engagement at their Berlin office. The formal invitation letter, signed by Mr. Clemens Grolman and stamped with the company seal, is enclosed at Tab 7 of this file. The planned business activities are:

- (a) [Activity 1 – e.g., technical onboarding on internal platforms];
- (b) [Activity 2 – e.g., participation in the workshop on (date)];
- (c) [Activity 3 – e.g., introduction meetings with the engineering team];
- (d) [Activity 4 – e.g., review of joint deliverables for FY 2026 H2].

I will not be employed in Germany, will not receive any remuneration during the visit, and will not be entering the German labour market. The visit is strictly for the bounded business purpose set out in the invitation letter.

2. Sponsorship arrangement – full transparency

The sponsorship by eduneon GmbH is partial and clearly bounded. The sponsor will cover, by direct payment to the providers, only the following items:

- (a) The international round-trip flight on Turkish Airlines (PNR TCA424), Delhi → Istanbul → Rome on 16 June 2026 and Amsterdam → Istanbul → Delhi on 6 July 2026, total fare EUR 3,826.59 – sponsor's payment receipt is enclosed at Tab 11;
- (b) Accommodation in Berlin for the 5 nights of the business engagement, 28 June 2026 (check-in) to 3 July 2026 (check-out);
- (c) Costs of the business meetings and events during those 5 days.

All other expenses for the trip – accommodation in Italy, Switzerland, Austria, the Czech Republic, and the Netherlands; every internal European train and bus ticket; all food, sightseeing, tourism, and personal expenses – are entirely self-funded from my personal savings, as evidenced by the six-month bank statement at Tab 19 and the trip budget at Tab 13a.

3. Route and travel duration

Arrival in Schengen : Rome-Fiumicino (FCO), 16 June 2026, 14:10 local
Departure from Schengen : Amsterdam-Schiphol (AMS), 6 July 2026, 14:40 local
Total Schengen days : 21 (within the 90/180 limit)
Cities visited : Rome → Lake Como → Lucerne → Bern → Lauterach
→ Salzburg → Vienna → Prague → BERLIN (business)
→ Amsterdam → Alkmaar
Country of longest stay : Germany (Berlin, 5 nights) – and thus the correct
consulate of jurisdiction under the Visa Code.

A detailed day-by-day itinerary with booking references for every overnight is enclosed at Tab 12.

4. Financial position

Personal closing balance, [DD Month YYYY] : NPR [amount] ($\approx$ EUR [amount])
Monthly net salary from [employer] : NPR [amount]
Estimated personal out-of-pocket cost
for the 16 self-funded days : EUR [$\approx$ 2,500 – 3,000]
Coverage ratio (personal funds vs cost) : approximately [X] $\times$

A consolidated trip budget table is at Tab 13a; the six-month bank statement with salary credits and salary slips is at Tabs 19 and 18.

5. Intent to return to Nepal

I have firm and verifiable ties that ensure my return:

- Continuous full-time employment with [employer] since [DD Month YYYY] in the position of [designation]. Approved leave is from [DD Month YYYY] to [DD Month YYYY], with confirmed return to work on [DD Month YYYY]
 - letters at Tabs 16 and 17.
- [Dependents – e.g., spouse and two minor children / elderly parents] residing in Nepal under my care – relationship documents at Tab 24.
- Ownership of land at [District] under Lalpurja No. [XXXX]
 - translated copy at Tab 23.
- Active income-tax filings with the Inland Revenue Department, latest acknowledgement for FY 2081/82 enclosed at Tab 20.
- Ongoing financial commitments in Nepal – [loan / insurance / business obligations] – at Tab 23 (supplementary).

6. Travel medical insurance

I hold a Schengen-compliant travel medical insurance policy with [insurer] for the entire trip (16 June – 7 July 2026 inclusive), covering all Schengen states with a coverage limit of EUR $\geq 30,000$. The certificate is at Tab 15.

7. Summary of enclosed documents

A tabbed document index is bound to the front of this file (25 numbered tabs).
The folder is ordered for the visa officer's convenience: identity → sponsor
→ flights → itinerary → bookings → financials → ties to home country.

I have read the relevant provisions of the Schengen Visa Code and confirm that I will fully comply with all conditions of stay, will not undertake any unauthorised employment, will hold valid travel medical insurance for the entire duration of my stay, and will leave the Schengen Area on or before 6 July 2026.

I respectfully request the issuance of a Schengen short-stay visa (Type C, single entry) valid 16 June – 6 July 2026.

Thank you for your time and consideration.

Sincerely,

[APPLICANT FULL NAME – printed]
