All other costs incurred by the invitee during the trip – including accommodation in Italy, Switzerland, Austria, the Czech Republic, and the Netherlands; every internal European train and bus ticket; all meals, sightseeing, tourism, and personal expenses outside the five-day Berlin engagement – are borne personally by the invitee from their own funds, evidenced in the financial documents enclosed in their visa application.

6. Liability acknowledgement under §§ 66–68 AufenthG

In line with §§ 66 to 68 of the German Residence Act (Aufenthaltsgesetz), eduneon GmbH acknowledges responsibility for the maintenance and accommodation costs of the invitee for the period 28 June 2026 to 3 July 2026 inclusive, as detailed in section 5 of this letter.

Common rejection causes specific to invitation letters (to neutralise)

- ✗ Letter exceeds 90 days at appointment date — **request a fresh one**
- ✗ Generic Dear Sir/Madam, please grant a visa to our employee — too vague — **use this template's bounded language**
- ✗ "All expenses will be borne by the company" — **never say this** unless literally true (and it isn't here); the bounded language must be exact
- ✗ Signatory's name on letter ≠ signatory of the wet signature
- ✗ Stamp missing or placed away from the signature
- ✗ Sponsor's HRB unverifiable — verify on handelsregister.de before printing
