Notes for the visa officer

1. The sponsored and self-funded items are **strictly disjoint**: there is no double-counting and no item paid jointly.
2. The Berlin segment is the only sponsored accommodation; every other night is paid by the applicant.
3. The applicant's personal balance independently exceeds the self-funded estimate by a margin of $\approx 2.5\times$, evidenced at Tab 19.
4. Currency rates used in this table are the NRB reference rates on [DD Month YYYY] .
