

Travel Insurance — Specification & Order Sheet

Detailed 12-document package · 16 June – 6 July 2026

Use this document to: (a) brief the Nepali insurance broker / agent on exactly what to issue; (b) verify the certificate before submitting it at Tab 15. **Do not submit this internal spec sheet to the embassy** — only the certificate itself goes in the file.

Hard requirements (Schengen Visa Code Article 15)

REQUIREMENT	VALUE
Minimum medical coverage	EUR 30,000 (target EUR 50,000 for stronger application)
Geographic scope	"All Schengen countries" OR an explicit list including all 6 trip countries (DE, IT, CH, AT, CZ, NL)
Validity start	on or before 16 June 2026 (recommend 15 Jun 2026 for buffer)
Validity end	on or after 7 July 2026 (recommend 8 Jul 2026 for buffer)
Total days of cover	≥ 23 days (trip is 21 days but buy 1-day buffer on each side)
Medical repatriation	Required — to country of residence
Repatriation of remains	Required
Emergency medical evacuation	Required
In-patient hospital treatment	Required
24/7 emergency assistance helpline	Required
COVID-19 / pandemic treatment	Recommended (most modern policies include this)
Deductible / excess	Recommended: zero deductible; if any, ≤ EUR 100
Currency of cover	EUR (not USD or NPR — the embassy wants EUR figures)
Issuer authorisation	Authorised in a Schengen state OR a Nepali insurer accepted by the German Embassy
Language of certificate	English (Nepali-only certificate will be rejected)
Format	On insurer letterhead, with policy number, named insured, dates, scope, limits, signature/seal

Acceptable Nepal-based providers (reputed by Schengen embassies)

PROVIDER	NOTES
Shikhar Insurance	Wide acceptance, English certificate standard
Sagarmatha Insurance	Schengen-specific product available
Himalayan Everest Insurance	Schengen-specific product available
Mountain Travel Insurance	Specialist travel insurer
Prabhu Insurance	Schengen-specific product available
Neco Insurance	Schengen product, English certificate
(Or any internationally-recognised Schengen-area insurer purchased online — e.g., AXA Schengen, Europ Assistance, Mondial, Allianz Travel)	

If buying from a non-Nepali insurer (e.g., AXA Schengen) online, the certificate is issued in PDF — print in colour, ideally with a 1-page schedule of benefits behind it.

What to ask the broker for (paste this into the email)

Hello,

I would like to purchase a Schengen short-stay travel medical insurance policy with the following specifications:

Number of insured travellers : [N – typically 1, 2, or 3]
Names of insured (per passport): [Names]
Passport numbers : [XXXX]
Date of birth of each insured : [DOBs]

Coverage start date : 15 June 2026 (one day before flight)
Coverage end date : 8 July 2026 (one day after return arrival)
Total days : 24

Geographic scope : All Schengen states
(must explicitly say "All Schengen countries"
OR list: DE, IT, CH, AT, CZ, NL, plus the
rest of Schengen as standard.)

Medical coverage limit : Minimum EUR 30,000 – please quote also for
EUR 50,000 and EUR 100,000 tiers.

Required benefits:
– In-patient hospital treatment
– Out-patient medical treatment
– Emergency medical evacuation
– Medical repatriation to Nepal
– Repatriation of remains
– 24x7 emergency assistance helpline
– COVID-19 / pandemic treatment
– Zero deductible

Required certificate format : English, insurer letterhead, with policy
number, named insured, validity dates,
geographic scope ("All Schengen countries"),
coverage limit in EUR, and benefits summary.

Purpose : Submission to the German Embassy in
Kathmandu in support of a short-stay
Schengen visa application.

Please quote the premium for each tier and confirm the certificate can be issued in PDF on insurer letterhead within 2 working days.

Thank you.
[APPLICANT NAME]

Common rejection causes (insurance) — to check before paying

- ❌ Coverage **less than EUR 30,000** — automatic refusal
- ❌ Geographic scope says only "Germany" — must say **all Schengen**
- ❌ Validity ends **on** the return date at midnight — buy 1 day buffer
- ❌ Certificate **in Nepali only** — must be English (or English translation)
- ❌ Issuer is not Schengen-authorized and not on the German Embassy's accepted-insurer list

- ❌ Certificate is a **quote** or **proposal**, not a **policy** — make sure it is the final policy document
- ❌ Policy excludes "tourism" or "leisure travel" — read the exclusions
- ❌ Repatriation of remains **not** explicitly covered
- ❌ Certificate signed only by the broker, not by the insurer — must be insurer letterhead
- ❌ Deductible higher than EUR 100 — read the schedule

Verification checklist after receiving the certificate

#	ITEM	PASS / FAIL
1	Insured name matches passport exactly	☐
2	Coverage ≥ EUR 30,000	☐
3	"All Schengen" or all 6 trip countries listed	☐
4	Start date ≤ 15 Jun 2026	☐
5	End date ≥ 8 Jul 2026	☐
6	Medical repatriation listed	☐
7	Repatriation of remains listed	☐
8	24/7 helpline number printed	☐
9	Certificate in English	☐
10	Policy number visible	☐
11	Insurer letterhead, signed/stamped	☐
12	Premium paid in full (not pending)	☐

Estimated premium (informational, for budget)

TIER	DAYS	PREMIUM PER PERSON (NPR)	PREMIUM PER PERSON (EUR)
EUR 30,000	24	NPR 4,500 – 6,500	EUR 30 – 45
EUR 50,000	24	NPR 6,500 – 8,500	EUR 45 – 60
EUR 100,000	24	NPR 9,000 – 12,000	EUR 60 – 85

Recommendation: Buy the **EUR 50,000 tier**. The marginal cost (NPR 2,000) is trivial relative to the application cost, and the higher coverage is a small but positive signal to the visa officer.

What to do with the certificate after issue

1. Print 2 copies: one for Tab 15 of the embassy file, one for your personal travel folder
2. Carry the **policy number + 24/7 helpline** on a card in your wallet during the trip
3. Save the PDF to your phone (offline) and email it to a family member as a backup
