Date: [DD Month YYYY]

STATEMENT REGARDING SPONSORSHIP AND FINANCIAL SUPPORT

From: [APPLICANT FULL NAME]
Trip: 16 June 2026 – 6 July 2026 – Italy, Switzerland, Austria,
Czech Republic, Germany, Netherlands
To: The Visa Officer
Embassy of the Federal Republic of Germany – Visa Section
P.O. Box 226, Gyaneshwor, Kathmandu, Nepal

1. Relationship with eduneon GmbH

I have been collaborating with eduneon GmbH, a Berlin-based education-technology company, as a remote [contributor / contractor] since [Month, Year]. Our professional relationship has involved regular project work, technical contributions, and periodic online meetings with the Berlin team. The relationship is documented through [contract / engagement letter / project history] held by the company.

2. Sponsorship scope (bounded – what is covered)

eduneon GmbH has offered partial and clearly bounded financial support for my visit to its Berlin office. The company has agreed to cover only the following three items, by direct payment to the providers:

- (a) Round-trip international airfare on Turkish Airlines, booking reference PNR TCA424:

Outbound: Delhi (DEL) → Istanbul (IST) → Rome (FCO) on
16 June 2026

Return: Amsterdam (AMS) → Istanbul (IST) → Delhi (DEL) on
6 July 2026

Total fare paid by eduneon GmbH: EUR 3,826.59 (for three passengers). The ticket has already been issued and the e-ticket PDF and sponsor's payment receipt are at Document 4 / Tab 11.

- (b) Accommodation in Berlin for the five nights of the business engagement: 28 June 2026 (check-in) to 3 July 2026 (check-out). The accommodation is arranged and paid for by eduneon GmbH; the sponsor will forward the booking confirmation to the embassy as soon as the property is finalised.

- (c) Meals and local transport in Berlin directly related to the business meetings and events during the 28 June – 3 July period.

BEYOND THESE THREE ITEMS, NO ADDITIONAL FINANCIAL SUPPORT IS PROVIDED BY EDUNEON GMBH.

3. What I pay for (self-funded – bounded boundary on the other side)

All other expenses for this 21-day trip are covered entirely from my

personal savings, evidenced by the six-month bank statement and salary records enclosed. The self-funded portion includes:

- All accommodation in Rome, Lake Como, Lucerne, Bern, Lauterach, Salzburg, Vienna, Prague, and Alkmaar – 15 nights, 8 cities;
- Every internal European train and bus segment (Trenitalia, SBB, ÖBB, Regiojet, Deutsche Bahn, FlixBus, NS Sprinter);
- All meals and food outside Berlin business days;
- All sightseeing, museum, and activity tickets (Colosseum, Belvedere, Schafbergbahn, Pfänder cable car, Hallstatt return, Rijksmuseum, and others);
- Travel medical insurance – Schengen-compliant, all states, with a coverage limit of EUR $\geq 50,000$;
- Visa application fees, VFS service charges, biometric photos;
- All personal expenses and contingencies.

The estimated cost for these self-funded items is approximately EUR 2,400 – 2,700 per person. The full per-line breakdown is at Document 5 (Financial Capacity Statement).

4. Financial capacity

My personal bank balance on [DD Month YYYY] is NPR [AMOUNT] (approximately EUR [AMOUNT] at the Nepal Rastra Bank reference rate of 1 EUR = NPR [140]). This is approximately $[2.5 - 3] \times$ my estimated personal expenses for the trip. I therefore have sufficient independent financial capacity to fund the self-funded portion of the trip; I am not economically dependent on the sponsor's support. The sponsorship is limited strictly to business-related costs, not a comprehensive funding of my travel.

5. Purpose clarity – two distinct segments

The trip has two clearly separated segments, both legitimate and documented:

- (1) BUSINESS SEGMENT – 5 days, Berlin, 28 June – 3 July 2026:
 - Technical onboarding on eduneon's internal systems
 - Project review meetings with the engineering team
 - Workshop and collaboration sessions on joint deliverables
 - This segment is business-related and sponsored by eduneon GmbH
 - I will be on approved leave from my Nepal employment for the entire trip – I will not receive any wages or salary from eduneon, and I am not entering the German labour market.
- (2) TOURISM SEGMENT – 16 days, 5 further Schengen states, 16 – 28 June and 3 – 6 July 2026:
 - Personal leisure travel, fully self-funded
 - Cultural and historical destinations only – no business activities and no professional obligations
 - Co-travelling with my [family member / spouse / sibling – as per the relationship document at Tab 24].

6. Non-employment status

This visit does NOT constitute employment in Germany or in any other Schengen state. I am not entering the German labour market. I will not

work for any Schengen-based employer during this trip. I am on approved leave from my primary employment in Nepal and will return to that employment immediately upon my return on 7 July 2026.

7. Return assurance

I have firm, verifiable ties to Nepal:

- Full-time employment at [EMPLOYER NAME] since [Year], with approved leave from 15 June 2026 to 10 July 2026, and a scheduled return to work on 13 July 2026 – employer letters at Document 7.
- My family resides in [District / Municipality], Nepal – relationship documents at Tab 24.
- Property ownership at [Location] under Lalpurja No. [XXXX] – translated copy at Tab 23.
- Active annual income-tax filings with the Inland Revenue Department – latest acknowledgement at Tab 20.
- Ongoing financial commitments in Nepal – [if applicable: home loan / vehicle loan / insurance / business obligations].

I have no intention to overstay or to remain in the Schengen Area beyond my approved trip duration of 21 days. My scheduled departure from the Schengen Area is on 6 July 2026 via Amsterdam–Schiphol on Turkish Airlines flight TK1958.

I declare that the information provided above is true and accurate to the best of my knowledge and belief.

Yours faithfully,

[APPLICANT FULL NAME – printed]
